If a Parent or Sponsor would like for their college student to receive a "Care Package", we ask that you participate in some way. Below are several opportunities. Please check one or more to indicate your participation:

I WILL HELP WITH:

- Donating items
- Donating financially
- Assembling packages
- Transporting packages to post office
- Christmas get-together committee

Please make sure that food allergies are indicated because baked goods are sent at Christmas. In the past, Christmas packages are a huge success; many church members participated. Baked goods are low-cost due to donations and parent/sponsor involvement was a big benefit. Feedback from students was great! In the past, there have been a few students with allergies, so we need to make sure students get snacks they are able to eat.

We plan to send packages to freshmen only in the Fall.

ALL students will receive packages around Finals (Christmas & Easter).
